

Transform Your Horse!

From Scaredy Cat...

To Cool, Calm & Collected

with the amazing Settle Petal®

Once again The Horse Herbalist have answered many horse owners' prayers with a herbal message in a bottle! Settle Petal is a carefully crafted blend of herbs and flower essences which assists in calming the system and strengthening the nerves.

So if you or your horse are overexcited, nervous, spooky, restless, scared, stressed or overwrought - for whatever reason (or even for no reason at all!), Settle Petal will calm you down and anchor you back on the planet again.

All Horse Herbalist formulas have been researched, tried and tested over 20 years in the equestrian industry, our products are made from highest quality organic herbs (where available) - accept no imitations!

SETTLE PETAL is a synergistic formula – a carefully blended selection of herbal extracts and flower remedies. It is completely safe and non-addictive, has no contra-indications or known drug interactions.

No Horse Herbalist remedy or application is designed to take the place of qualified medical or veterinary attention and advice.
