Parelli UK

Team UK is having a fantastic time at Britain's favourite Horse Show this week. Olympia is abuzz with Christmas Spirit and cheer and the happy faces of horse lovers excited to have Parelli back on their home turf, and looking forward to Europe's biggest celebration of Natural Horsemanship at the NEC next summer. Sue Shoemark and Neil Pye would like to say a big 'THANK YOU!' to all the Ambassadors, Instructors and Parelli staffers who have helped to make the event such a huge success.

Parelli Australia

Alison and Cassie Bickley had a great weekend at the Sydney International Equestrian Centre, promoting Parelli to horse lovers and showjumping enthusiasts alike. The sun shone, spirits were high and there were lots of curious horse lovers at the Parelli stand, asking just how Parelli could help them achieve a more rewarding relationship with their horse, and assist them in achieving their horsemanship goals. All the competing riders went away with a free 'What is Parelli?' DVD in their rider packs.

January Savvy Times

Coming up in the January issue of Savvy Times magazine, Savvy Club members can look forward to an interview with Racing's Hall of Fame Female Jockey, Julie Krone.

"Until I got involved in Parelli I hadn't felt that flame, that excitement inside, since I quit riding races. The Parelli program is something you can believe in and something that allows you to believe in yourself. It's really lit a fire in me emotionally. Now my dream is to believe in myself again and to be able to teach others."
