January Savvy Times

Coming up in the January issue of Savvy Times magazine, Savvy Club members can look forward to an article from Kaffa Martignier about leadership and learning.

"I am sure you have experienced this if you are a little ways along in the Parelli Natural Horsemanship program: Somebody sees you do something with your horse that looks great, and they ask, 'Where do you get a horse like that?' You don't bother trying to answer, because you know that down in the pasture at night, your horse's mates are asking, 'Where do you get a human like that?' It's not a quick fix; it's about us developing ourselves to be great leaders, so then our horses can be great followers."
