STOP PRESS... STOPPRESS ... STOPPRESS

Blair contracts terminal foot in mouth!

What a winter! Endless rain, extensive flooding, raging rivers and acres of mud... just when we were beginning to see light at the end of the tunnel as the daffodils and crocii breathed a hint of spring, we were hit hard by foot & mouth.

*Be warned, Blair, and be afraid
With every body Brown is burning
One thing only is becoming certain
Those country folk you didn't like
Will make sure that YOU take a bike
When you get the guts and gumption
To take your chance at re-election!*

Fishing for Compliments...

Beat the winter blues and equip yourself for the start of the fishing season with our new range of SNOWBEE tackle bags, rods and nets - land yourself a winner only at Roxton West Street store.

Say it with Schoffel...

Schoffel of Germany makes and supplies one of the very best shooting jacket ranges - lightweight, guaranteed 100% waterproof, machine washable, mud resistant and with the full complement of cartridge, equipment and moleskin lined hand warmer pockets... so don't say shooting jacket, say Schoffel!

What's up in West Street?
